

Iowa Community Action Agency

New Opportunities is one of 17 Community Action Agencies serving the state of Iowa. Iowa's Community Action Agencies are locally-based private, non-profit organizations that network with a wide-array of local organizations to enhance the opportunities for low-income Iowans (children and families) to meet basic needs and to develop their own capacity to do so.

The Dallas County Outreach Coordinator, Anna Maria (¡Hablamos Español!), is committed to helping low-income Iowans change their lives by breaking the cycle of poverty and removing the barriers to achieve self-sufficiency.
