

Iowa Community Action Agency

New Opportunities is one of 17 Community Action Agencies serving the state of Iowa. Iowa's Community Action Agencies are locally-based private, non-profit organizations that network with a wide-array of local organizations to enhance the opportunities for low-income Iowans (children and families) to meet basic needs and develop their own capacity to do so.

Kristi is the Sac County Family Development Center Coordinator. We are committed to helping low-income Iowans change their lives by breaking the cycle of poverty and removing the barriers to achieve self-sufficiency.

Making a Difference....

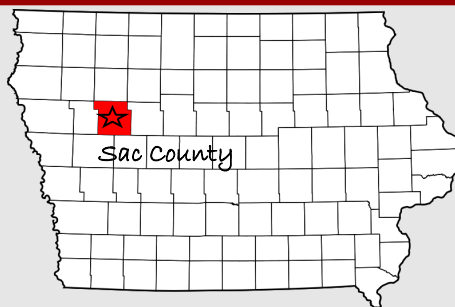

New Opportunities, with community support, distributed back-to-school packages to 41 needy children in Sac County during the month of August 2017.

A former parent/recipient of the back-to-school program communicated that she was no longer in need of our services but now able to donate supplies and give back to other families in need, as the previous years' of New Opportunities' services were a vital part of becoming self-reliant.
