

New Opportunities receives grant

State Street Insurance, Inc. and IMT Insurance recently awarded a \$500 Gift to New Opportunities Guthrie County Family Development Center.

New Opportunities was among 60 community contest winners, State Street Insurance submitted the grant application on behalf of New Opportunities.

The IMT Community Contest awards monetary gifts to community projects and organizations within the states the company does business. This year, entries were submitted for consideration from June to August, and 60 awards of either \$500 or \$1,000 were gifted to local projects and organizations in need.

With nearly 100 entries submitted and more than \$32,500 awarded to worthy causes, New Opportunities Guthrie County Family Development Center Food Pantry was chosen as one of the 2020 \$500 project winners.
