

## Iowa Community Action Agency

New Opportunities is one of 16 Community Action Agencies serving the state of Iowa. Iowa's Community Action Agencies are locally-based private, non-profit organizations that network with a wide-array of local organizations to enhance the opportunities for low-income Iowans (children and families) to meet basic needs and develop their own capacity to do so.

*Heidi is the Calhoun County Outreach Center Coordinator. New Opportunities is committed to helping low-income Iowans change their lives*

*by breaking the cycle of poverty and removing the barriers to achieve self-sufficiency.*

### Making a Difference....

New Opportunities in working with local donors was able to create the Calhoun County Water Fund this past year to help low income families with their water bill. With the new fund, the New Opportunities Calhoun County Outreach Center Coordinator was able to restore a families water service on New Year's Eve! New Opportunities is thankful for the local support received in allowing staff to help families in need.
