

Iowa Community Action Agency

New Opportunities is one of 16 Community Action Agencies serving the state of Iowa.

Iowa's Community Action Agencies are locally-based private, non-profit organizations that network with a wide-array of local organizations to enhance the opportunities for low-income Iowans (children and families) to meet basic needs and develop their own capacity to do so.

Val is the Carroll County Outreach Center Coordinator. New Opportunities is committed to helping low-income Iowans change their lives by breaking the cycle of poverty and removing the barriers to achieve self-sufficiency.

Making a Difference....

A customer experienced some car trouble and the resulting cost was going to leave her short of the funds she needed to pay her electric bill. She was on a payment arrangement and at risk of disconnection. We were able to provide crisis assistance to help keep her service connected.
