

GIVING FOOD WHILE GIVING THANKS

SPECIAL TO THE TIMES HERALD

SunnyBrook Assisted Living and Memory Care held its annual Thanksgiving potluck dinner for family and friends Nov. 17. The meal is the center's way of giving thanks to its residents and their loved ones by inviting them to a home-cooked, traditional Thanksgiving dinner. Guests bring salads and desserts to accompany the main meal prepared by SunnyBrook's staff. SunnyBrook hosts a food drive the same day. Donated items this year went to New Opportunities' food pantry.
