

## Iowa Community Action Agency

New Opportunities is one of 16 Community Action Agencies serving the state of Iowa. Iowa's Community Action Agencies are locally-based private, non-profit organizations that network with a wide-array of local organizations to enhance the opportunities for low-income Iowans (children and families) to meet basic needs and to develop their own capacity to do so.

*Beth, Eli, and Carol are committed to helping low-income Iowans change their lives by breaking the cycle of poverty and removing the barriers to achieve self-sufficiency.*

## Volunteer Opportunities

**To Volunteer:** to promote goodness or improve human quality of life.... In return, this activity can produce a feeling of self-worth and respect. There is no financial gain involved for the individual. Volunteering is also renowned for skill development, socialization, and fun.

Please contact the Outreach Coordinator on how you can help.

**Thank you to all of our volunteers!**
