AMVC Food Drive gets boost from Cargill

AMVC held their annual pre-holiday food drive, collecting and delivering two truckloads of food and other non-perishable items to the Audubon Family Development Center and to Caring and Sharing. During the food drive, Handlos Family Farms of rural Audubon made a personal donation. Kurt Handlos then contacted Cargill, to see if through their Cargill Cares Council, a donation could be made from them. Representatives from Cargill visited AMVC last week to present a check to the food drive, in the amount of \$1,000.
