

Dear Santa,

We have been **very good** this year! We made a difference in the lives of thousands of children, individuals, and families in Audubon, Calhoun, Carroll, Dallas, Greene, Guthrie, and Sac Counties!

At New Opportunities we know that it is always far better to give than to receive, so we only have one thing on our wish list this holiday season—we want all of our staff, volunteers, clients, and community partners to have a **Happy Holiday & a Healthy New Year!**

If you have questions about the services we offer at New Opportunities, or if you want to make sure we should be on the nice list, you can call us at **712-792-9266!**

Love,

**New Opportunities**

P.S. Our Financial Literacy Coordinator has great advice for the holiday season! After a holiday season full of spending money, consider a "No Spend Day!" This is a great way to hit the reset button and re-evaluate your spending goals!
