

Peoples Bank Can Drive for Pantry

The Guthrie Center branch of Peoples Bank recently organized a can drive for the Food Pantry at New Opportunities, matching each item donated. More than 1,000 cans of vegetables and soup were delivered to the Food Pantry, along with an additional 100 non-food items.

Dennis Flanery, Guthrie County Market President, expressed a special thanks to Hometown Foods and Dollar General for their assistance in the drive, and to all the people who donated to the effort. Shown with the pickup load of donations are Peoples Bank employees, from the left: Lori Faucher, Courtney Sheeder and Penny Wetzel.
