

Royal Throne

November 2018

Celebrated on the Tuesday following **Black Friday** and **Cyber Monday**, #GIVINGTUESDAY launches the beginning of the giving season when many people start planning their holiday and end-of-year giving. #GivingTuesday celebrates and encourages individuals to donate their time and resources to support local communities. New Opportunities has a variety of ways for community members to get involved and to help support our mission of “Helping People, Changing Lives” —especially during the holiday season!

Volunteer

Donate

 Organize and put away food in the food pantry.

 Donate food and personal hygiene products to the food pantry

 Organize and fold clothing in the clothes closet

 Donate clothing and household items to the clothing closet

 Prepare holiday food baskets

 Donate holiday food basket items and/or Christmas toys

 Prepare Christmas toy packages

 Monetary donations are always welcome and much-appreciated

Contact your local Family Development Center to get involved!

A Tip from the Financial Literacy Coordinator

Set up auto-pay for your bills. Automatic withdrawal can be used for student loans, credit card payments, car payments, etc. This helps prevent late payments, and you may also get a discount for going paperless!

“No act of kindness, however small, is ever wasted.” Aesop
