

Churches Donate \$2,415 to Three Food Pantries

The Panora United Methodist Church and Lutheran Church of Hope, Panora, joined forces to generate \$2,415 in a cash food bank drive. The funds were divided evenly and presented to New Opportunities Inc., Panorama High School Food Bank, and Faith Bible Church Food Pantry.

A great big thank you to everyone from the community who contributed either through their church or by placing

money in the collection canisters in local businesses in Panora.
